

ECASD Technology Buffet 2012

Session D: Educational Video

Looking for alternatives to YouTube? Check out some of these great educational video sites.

www.teachertube.com

- TeacherTube acts like YouTube, but for educators
- Most videos are created by educators; FREE account to upload videos

www.edutube.org

- Older site (many videos are from around 2009 or so)
- Many videos are from YouTube, but without all of the advertising
- Great character education videos; has a blog

video.pbs.org

- Clips and full length video of PBS programs

<http://www.pbs.org/wgbh/nova/teachers/video/>

- Science programs and clips from NOVA

www.discoveryeducation.com

- Available to all ECASD teachers; see Erin or Ellen for access code
- Provides STEM content, videos, audio, assessment pieces, lesson plans, and much more
- Streaming Plus

<http://www.c-spanvideo.org/videoLibrary/>

www.history.com

<http://www.biography.com>

<http://classroomclips.org/>

- Matches VA SOLs; easily matched to PA Standards
- Log in only available for VA teachers

<http://www.schooltube.com/>

- Videos created by teachers and students

www.edutopia.org

- Great videos for professional development
